

A promise to *care*. A commitment to *deliver*.

Home Care Delivered is a leading provider of **wound care, urology, incontinence, ostomy, diabetes and erectile dysfunction supplies**. We are committed to providing you and your patients with resources to support **better patient outcomes**.

Our **Certified Wound, Ostomy and Continence Nurse (CWOCN)**, Terri Decker, and our **Wound Care Certified (WCC)** nurse, Robin Platt, have a wealth of clinical experience with product and reimbursement knowledge and expertise.

**Terri Decker RN, CWOCN**  
Director of Clinical Resources

### Meet Our Clinical Staff:

**Terri Decker, RN, CWOCN:** Terri received her Bachelor of Science degree in Nursing from Case Western Reserve University in Cleveland, Ohio. She received her Enterostomal Therapy (ET) Certificate in 1991 from the Rupert B. Turnbull School of Enterostomal Therapy at the Cleveland Clinic and has been a Board Certified WOCN for nearly 20 years. Her background includes clinical and educational positions throughout the country and 10 years of home health experience in Virginia. Terri is an active member of the WOCN, having served as Treasurer and President of the Central Virginia Affiliate and is also a member of the American Association of Diabetes Educators, American Diabetes Association, and the Association for the Advancement of Wound Care.

**Robin Platt RN, WCC**  
Clinical Resources Specialist

**Robin Platt, RN, WCC:** Robin began her 30 year career in nursing as a Licensed Practical Nurse (LPN). In 1990, she completed her Associate Degree in Nursing at John Tyler Community College in Richmond, Virginia. She has extensive experience in a variety of clinical settings, with the most recent 11 years focused in the home health care setting. In 2004, she received her certification as a wound specialist through the Wound Care Education Institute.

With more than 14 years experience, Home Care Delivered has earned a reputation among physicians and other healthcare professionals throughout the country for providing **world-class service, support and supplies**.

Our **QUICKSHIP** service provides patients with their supplies in **two days or less** once we verify insurance and obtain all necessary paperwork.
