

A promise to *care*. A commitment to *deliver*.

## You have a dedicated *New Patient Services Coordinator* specifically assigned to you and your office!

Our Concierge Program is designed to make your referral experiences with Home Care Delivered truly *world-class!*

At Home Care Delivered, we are committed to being a valuable resource for you and your patients. Your dedicated New Patient Services Coordinator is *highly skilled in conditions, products, and insurance coverage*. Their sole responsibility is to make sure your patients' first order goes as smoothly as possible.

They will contact the patient or caregiver to conduct the *initial needs assessment* and verify the patient's insurance. They're available to answer any questions or concerns, and will keep you updated throughout the entire process.

Each New Patient Services Coordinator works hand in hand with your Sales Representative to ensure you and your patients continue to receive superior care.
