

A promise to *care*. A commitment to *deliver*.

Our high quality products, world-class service and expertise offers  
the *best personalized service* in the industry!

Our customers rated us at  
**98% satisfaction.**  
**That's World-Class!**

Our customer testimonials...

*"I am very pleased with the performance of HCD. Because of your company, my job as a caregiver is easier. Thank you."*  
- Mary, 8 year customer

*"Fast and efficient, friendly, personable and reliable. I never feel like a burden and they always treat me with respect."*  
- Robert, 5 year customer

We make receiving the supplies your patients need *fast* and *easy*!

Our Follow-Up Program provides your patients with caring and knowledgeable *Patient Care Coordinators* who call and confirm your patients ongoing supply needs so they don't have to worry about reordering.

### HIGH QUALITY PRODUCTS

Your **One Stop Shop** for referring patients with disposable medical supply needs including: wound care, urology, incontinence, ostomy, diabetes and erectile dysfunction supplies!

### WORLD-CLASS SERVICE

Your dedicated **New Patient Services Coordinator** (NPSC) is assigned to your office for product and insurance coverage information and handles all aspects of new patient referrals.

Our five distribution facilities across the country ensure a **QUICKSHIP** delivery to your patients in *two days or less* once we verify insurance and obtain all necessary paperwork.

We offer **hassle-free claims processing** for *Medicare, Medicaid* and other insurance plans. We review their coverage, handle all paperwork and bill secondary insurance, if applicable.

### EXPERTISE

Our **Certified Wound Ostomy Continence Nurse** (CWOCN) helps you assess the complex and changing needs of your patients, and provides ongoing education and product support.

We are a trusted, values-driven company with *more than 14 years experience* servicing the medical supply needs of patients and caregivers throughout the country.
